

## THE WATERFRONT

A LUMBER VESSEL ARRIVED FROM SEATTLE.

Other Notes From Along the Docks—  
The Kinan Sailed for Maui and Hawaii—Passengers.

The bark Velocity has finished discharging. The steamer Lehua is on the Marine Railway for cleaning and repairs.

The W G Irwin, which sailed for the Coast on Saturday, took a cargo of 7700 bags sugar, valued at \$35,751.

Several vessels are now on their way from the Golden Gate to this port, and may be expected to arrive soon.

Tomorrow, high tide large 6:20 p.m.; high tide small 7:00 a.m.; low tide large 6:43 a.m.; low tide small 6:25 p.m.

The bark Lolani is expected to begin loading sugar on Thursday. A quantity of iron and coal remains to be discharged.

The bark Belmont has moved to Oceanic dock to load sugar from the warehouse. Part of the Kaula's cargo was also put into her today.

The American barkentine J. M. Griffiths, Arty master, arrived this morning from Seattle, with about 70,000 feet of lumber for the Oahu Lumber & Building Company. She reports a pleasant voyage of 27½ days.

Alterations and repairs are being made at Inter-Island wharf. One of the steamers building at the Coast is much larger than any of the company's present fleet, so that the Hall's berth will be arranged to accommodate the new boat.

The steamer Kinan sailed for Maui and Hawaii this morning with the usual large passenger list. Being delayed by the large amount of freight, she was a little late getting away. People who were down to see their friends off, and others, were made uncomfortable by the clouds of dust which were blown along the docks by gusts of wind.

### POLICE COURT MATTERS.

Fred Wagner's Trial Results in His Discharge.

Judge Wilcox made short work of the Police court calendar this morning.

The case of Apau and Kuu, selling foreign goods without a license, was put off to the 30th.

Elia, arrested yesterday for putting a head on a Chinaman, pleaded guilty and was fined \$5 and \$3 costs.

The case of C. B. Manges, accused of taking a sovereign from J. J. Brougue, a passenger on the Miowera, given to him to pay the postage, and out of which it is alleged he failed to return the change, was called up. The defendant pleaded not guilty and the trial was set for tomorrow.

Fred Wagner's trial for furious riding on a wheel, during which he ran into and disabled another wheel ridden by Kawahionalani, resulted in a judgment of not guilty.

At the Y. M. C. A.

There was not as large an attendance as was expected at the Y. M. C. A. ball last evening to meet Mr. James Stokes of New York and listen to an address by him on the work of the International Committee of the Association, but those present enjoyed the occasion immensely.

After the address Mr. Stokes answered a number of questions propounded by the audience and followed it up by asking questions of the audience.

Refreshments were served after the exercises.

Mr. James Stokes is one of the wealthiest men of New York City, and is on his way round the world. He and his family built the Y. M. C. A. building in Paris and a year ago last June the Government of France conferred upon him the degree of knighthood for his beneficence in the interest of the young men of France. He is an American delegate to the International Convention.

Patet Is Its Name.

Climate of every variety exerts a different influence on the desires of mankind for a stimulant. In colder zones beverages of great alcoholic strength are used to a very much larger degree than in the tropics. Beer is best suited to our climate and none found in the market is better than that bearing the brand of "PABST, MILWAUKEE." It is brewed from the best of malt and hops and is a great thirst quencher and invigorator and stimulates the nerves and muscles. At the Royal, Cosmopolitan and Pacific saloons it may be found, cold and pure. Interchangeable checks are issued which may be used at any of the three resorts.

Mechanics' Home, corner Hotel and Nuuanu streets, lodging by day, week or month. Terms: 25 and 50 cents per night; \$1, and \$1.25 per week.

Sterling, the painter, is prepared to quote prices on roof painting. He uses a composition of coal tar and cement. Cheapest and best roof preparation in Honolulu.

There is a handsome piece of property, 70x100 feet, on the corner Prospect and Hackfeld streets. It is all fenced ready for building and water pipes are laid on. Enquire of H. M. Dow.

City Carriage Co., J. S. Andrade, manager. If you want a hack with good horse and careful driver ring up Telephone 113, corner of Fort and Merchant streets Hack at all hours.

Singers lead the world. Over 13,000,000 made and sold. Highest awards at the World's Columbian Exposition for excellence of construction, regularity of motion, ease of motion, great speed, adjustability, durability, ease of learning and convenience of arrangement. B. Bergersen, agent, King and Bethel streets.

There seems to be some blight affecting the bloom of the beautiful Punciana Regia this season, for of all the trees in the city but few have blossoms enough to attract attention. The one on Hotel street next to the Arlington is a notable exception, and in consequence is a source of wonder and delight to visitors who have never before seen this tree in bloom. King Bros. have made several excellent sketches in oil and water colors of this subject, which are meeting with ready sale.

My Hack does not tip in this manner, no matter how weighty the load.

To My Patrons:

It gives me much pleasure to announce that MR. M. R. COUNTER, one of the most skilled watchmakers ever in these Islands, is now managing my repairing department. No watch is so complex in its mechanism but we can give perfect satisfaction in correcting the evils to which watches are heir. Watches are delicate things to handle. We guarantee that they will receive no injury at our hands and will leave our store in perfect repair. Respectfully,

E. A. JACOBSON.

Election of Officers.

AT THE ADJOURNED ANNUAL meeting of the Board of Directors of the Pioneer Building and Loan Association held last evening, the following Officers were elected to serve for the ensuing year.

## J. T. WATERHOUSE

An inspector of food is needed in establishments where fresh goods are not always found. No one but a dealer in inferior stuff would object to it for the reason that men who make a point of buying the best goods at figures within the reach of the average breadwinner sell them so quickly that there is no danger of their spoiling.

We are making a specialty of groceries, good groceries which we buy and sell cheap. Care in the selection of them, no job lots left on the hands of jobbers, but good clean clear cut goods suitable for the best class of people, but which we sell at prices within the reach of every one. Our reputation for selling Dry Goods cheap extends from Niihau to Hawaii; it will be no greater than the record we intend making for selling groceries cheap. Our stock comprises: Teas, Coffees, Syrups, Honey, Jellies, Cross & Blackwell's Jams, Sago, Tapioca, Saloon Bread, Fish in tins, Salt Pork in tins for family use, and the best varieties of cheese.

Our stock is new and new goods are received by every steamer.
